1. When shall you bring Me forth and how shall you exercise My power? I love you. When the weak show strong and the strong show weak.
It has to be. I am Me.

2. There is no one cataclysmic more than Me.
There is no peace beyond Me, only in Me, through Me.
I am Me. I am you.

3. Shall the weak say I am strong? Yes in the power of His/My might. I love you.

4. How shall you bring forth My power? You let, let, let it flow.
Dam it not up or out. It it/Me flow! Rain on My desert (1).
A highway made (2). Holiness reigning. I love you.

5. A wall no more (3). Zion born in a day (4). Watch Me. I love you. Watch Me. I love you. Watch Zion be born in a day.
24 hours not. My time. My being.
Cataclysmic a thousand years. I love you.

6. So much changes. So much reigns, terror by night, by day; Into the sea some; Why, some ask. The moment of sorrows/recompense. I love you.

7. Into Me see the seen and coming with great detail, I give it you. I give it you. I give you Me and I have no/all time and without time and before/beyond time exist and Ted, you do too. Now you bring forth My power declaring My body in My body conceived, brought forth in a day not, less. Amen. And My appearing in Zion is cataclysmic, cataclysmic, cataclysmic.
I love the Me'd. I love you reader-hearer, listener. Prepare for My arrival in your brain/mind with no wall of separation separating us and Me/we/us coming forth in united power/meekness the world earth has never seen. I love you. I love you. I love you. Amen.

8. The seen and unseen and the scene of My glory singing My glory and singed not, not a hair or smell of smoke on you as I walk Me/us through the flames. I love

you. Heat melts next to Me. I fan the flame in love and dies it must. I love you.

9. Into the scene of the crime, belligerence, arrogance, hegemonious hegemony belittling the giver of life freely flowing in My creation who turned ashamed not, to reconcile not, but record a race over Me his Maker. I love you Ted writer/documenter/walker of through-plane and nuclear blasts not touching, for data/matter don't matter. I love you.

10. You surpass all the others, all, all, all, including Me, and Ted, you pave the way for so many excel-ers who through Me/you now find their way royal into royalty, lost not but once lost and now found, realized, recognized and surrendered to in meekness, arrogance-free and surrendered to all to surrendered meekness bring forth the lamb at midnight, before; before midnight, dusk, sunset sunsetting. I love you in the most beautiful ways/methods cataclysmic to controllers who shout and say "why me, I want thee/that power and glory and; why you? shrimp, runt. I should be there." No meekness but falsely. No arrogance-not but scienter. No falsehood shown for actors are they before My heavenly Father who accuse My brethren bereft of Me. I love you.

11. Think it not strange Isaiah, Jeremiah, Timothy, Stephen.
Think it not strange Job, Abraham, Jeremiah, Ezekiel.
Think it not strange Daniel, Job, Deborah, Phyllis.
Think it not strange reader-hearer, wonderer; writer to be of My words in a stream, flowing as rivers into rivers being rivers rising that cover My worlds. Amen.

12. Think it not strange the power that comes to you. Shake and roll some do, magnanimous healings and displays of My hegemony not but My meekness surrendered in meekness only seeking meekness by means of purity, letting purity flow to pure and non-pure, as My Father in heaven shows/declares/lets forth the heavens, rain the kingdom of heaven into the earth making nations of believers/surrenderers to Me in the Most Holy place and never surrendering/leaving. I love you. To/for others. Amen.
Glory hallelujah. Amen.
To the lamb slain. Amen. Glory hallelujah. Amen.
To you My slain lamb. Glory hallelujah. Amen.
To you who follow, rise in glorious accord of only Me with no wall of separation and coming forth in glorious power purified by My word, My word, My voice of purity who can stand? You? If you so choose, bringing forth the power of Me without Me not, only Me of Me inseparable One'd Me'd and Me now one-ing so many ready and almost. I lovest thou My Tedword, Me-word, word-word of only Me, Me, Me. Shown with sorrow some, so little, magnanimous splendor of My arrays of beauty that

permeate even sunlight and pass through accomplishing all darkness into Me-ship. I love you.

13. Movies come. Training wheels no more for the trained, for flight simulators not time for, flight of only Me called for and; who can stand the day of My power/appearing in the meek, the gentle, the transparent, the who will live for Me receiving/being the royalty of heaven itself/only? I love you. Not in the heavens just, not footwashing just, but receiving the royal justness of My Father in heaven who said, "I will not relent, you are a priest in the order of Melchizedek (5) and you My child/friend/son now father, I anoint/adore and you bring Me forth at dawn, noon, dusk; all before.

14. Cataclysmic is My name and I am not afraid. I am My name and I am Me and I let Me come forth in the mighty who are not afraid of meekness/force, meekness/fire, the force of pure love, white, raw, unadulterated love that melts with fervent heat that which all else emulates but doesn't. I love you, Me, you all.

15. I love you and give My life/all to you for we rise and who can stand the moment of My appearing, in them?

16. Cataclysmic is My name and all changes for little meek housewives-thought become bold as lion tamers, unafraid of any mouth/jaws be it man or beast. Watch Me. Watch Me embolden the haphazard worshipper of Me not but the sincere drink offering not afraid to entrepreneur/hug My appearing and embrace Me as I am. Watch Me elevate, lift, proclaim the power of I Am/My Father whose brought Me forth in beauty/justly. Amen. Shortly so, so shortly.

17. In moments all changes and glory hallelujah to the lamb slain forevermore; irreversible and never wanting more, having everything; past beyond future'd time and time no constraint and who death can find not, escaped. The last enemy defeated and who can say, I love them? You, My friend, sinner not, surrendered to My/your royalty, seeking the kingdom not made with hands and doing/being the word/will of My/our Father in glorious sunlight not, pure radiant love which beholden/melts all others. I love you.

18. Glorious lamb of lambs, slain forevermore and foundation'd beauty remaining understood and brought forth and the web of deceit exposed for all to burn the residue of. I love you. Freed, exercising the greatest freedom ever conceived. Renounced by some hegemonious but you not, you letting/being My power/meekness

come forth and light shining/being to My way of sorrow not, exclusiveness not, guttered not, religious not, but who will wear Me in freedom and **not be ashamed of My/their forehead of greatness**, My mind theirs, theirs given to Me of them, Father come forth from them, us laying our crowns down before each other and exchanging places and who can imagine such/My love?

19. Who can surrender to My love/greatness and be/become My love/greatness whereby we all are one? Me. That's who/how, Me Me'd in love and sorrow so little, so much to celebrate over/about and now is your/My time.
Glorify Me that I may glorify you. Amen.
My/your time has come.
Into the garden I am/you are, but leaving with soldiers not, sorrow not, celebrating the lamb come forth, you, Me now, and walking the isles with My glory in jets of fame, My glory only, and all glory Mine. I share not with a man, yet Me'd you are and surrendered you bring Me forth in such beauty, elemental not but the compound complex that forms the simplest beforehand in your/My mirror. Amen.

20. Go in peace and loveliness and know/feel all truth, My promises are true and amen and glory hallelujah to the lamb, for tomorrow we ride/fly, yea and amen, before dusk, and who shall accompany us? Me. I love you.

21. **One'd again, did you enjoy Me? I love you. B2**
I adore you. I grace you My body. I behold you in righteousness, glory of/to/beholding/becoming the lamb of beauty slain, arising with healing in your/My/our/so many's wings. Amen.

22. Glory hallelujah to you, My son, shame not, shining none; carefully taking/laying My power on/in who I/we show you. Amen and amen and who can bring forth My power/grace? You My friend reading this, hearing this, who will. Surrender to greatness, meekness, power unamplified that no one can stand in, pure grace'd love that melts/radiants all in its/My path. Glory, glory, glory to the lamb slain forevermore. Amen. Your lack has no lack.
I cruse your oil forevermore (6).
Amen. Glory hallelujah. Amen.

23. Of sorrow not, celebrate, celebrate, celebrate My body, with My body, My body all knowing/being My body in royalty honoring all with honor and due respect to each other. Arrogance for any and all demised and categorically denied entrance to My holy place, inside you.

24. I am gloriously glorified in you My servant simple, who foresaw so little, now documents all; ever and ever before you, going into the past future'd and the future'd past and beyond all gloriousness-thought being My glory. Amen. Taking truth to Gentiles of

every race, nation, tribe and tongue; every label and no label, letting our light shine, being/receiving one into one-hood all, Me, who surrender. I show you. Amen.

25. Thank you patience. Sinister not, surreptitious not; all sincerity; pleasure forsake, having now All-Pleasure's pleasure. Amen. We meet at midnight, before, and take many with us. Amen and amen.

26. Thank you riser/writer of Me/My word,s.
Me.
Smile.

No-lack

Rev 14:1-2 Then I looked, and there before me was the Lamb, standing on Mount Zion, and with him 144,000 who had his name and his Father's name written on their foreheads.
